**LT Blue 67-69**

**October 4, 1941 - June 24, 2013**

Paul Vere Roundy III, born in Long Branch, New Jersey on October 4, 1941 and passed away on June 24, 2013. Private Cremation Services.

In the radio shack we referred to him as PVR III, because those were his initials when he signed off on radio messages. He worked in engineering. He was always a gentle, kind man. He hosted the Protestant church service each Sunday in the mess hall which I attended when not on watch.

So did a search and found that he passed away on June 24, 2016. Here is the Obit: <https://www.ferdinandfuneralhomes.com/obituaries/Paul-Vere-Roundy-iii-2/>
